

When it comes to warehousing, GRL can flex to suit your needs. We can handle long- or short-term warehousing—no job is too large or too small. We treat your inventory as it's our own, with warehouse spaces in safe areas, staffed by people who handle your products with care.

- Dedicated Warehousing
- Multiclient Warehousing
- Distribution Center Management
- Warehouse Management System (WMS)
- Cross Docking
- Order Fulfillment

## High-Tech Solutions

Our inventory management and distribution systems help ensure the wellbeing of your products. You can see where your products are stored, check inventory and aging, and more, using state-of-the-art systems.

**DRIVING YOUR BUSINESS FORWARD**
